DONATIONS

WE ALWAYS APPRECIATE YOUR DONATIONS. HOWEVER, TO HELP US CUT DOWN ON WASTE COSTS WHICH REDUCES OUR INCOME PLEASE HELP US BY FOLLOWING THIS GUIDE.

- * **Where possible, please wash your donations**
- * **Check for damage. Is your donation chipped? broken or too worn?**
- * **Is there a set? Some single items such as glassware do not sell as singles.**
- * **Is it complete? Check that toys and games are complete and not missing anything.**
- * **Does it work? Test it first to ensure it still works.**
